

Reception Math Overview 2017-18

By the end of the academic year the children will cover the following strands and develop related skills.

Numbers:

- children count reliably with numbers from 1 to 20
- place numbers in order
- say which number is one more or one less than a given number
- using quantities and objects, they add and subtract two single-digit numbers
- count on or back to find the answer
- solve problems, including doubling, halving and sharing.

Shape, space and measures:

- children use everyday language to talk about
 - size
 - weight
 - capacity
 - position
 - distance
 - time
 - money

compare quantities and objects and to solve problems

recognise, create and describe patterns

explore characteristics of everyday objects and shapes and use mathematical language to describe them.

Covered through the Progression in Numicon Planning
