Diary Dates

Dear Parents, Carers and Families,

INSET Days

4 May 2016

We have all had a positive start to the school year and I have really enjoyed meeting many of you as well as getting to know the children better. Myself and Tanzy will be holding a coffee morning next Friday from 9am which I hope many of you can attend.

Wow, what an exciting first week we have all had in Robins class! Everyone has settled in so well. We have been learning all about our classroom as well as following the rules and making lots of new friends.

Puffins class has settled in really well. We have been very busy with lots of exciting activities in our classroom and outside area. We have also been getting used to the rules and routines of school.

Swallows have started Year 1 really well! We have been settling back into our school routine this week and getting used to our work again by looking back at our phonics, writing and maths from Year R. Everyone in Swallows has done so well with their reading this week. Headteacher's award has been presented to Emily who has really impressed Miss Pullen with her reading and positive attitude.

We have had a fun first week in Owls class! We talked about our school and class rules and painted a portrait of ourselves! We also started our topic 'seasons'. Headteacher's award has been presented to Tyler for impressing us with his phonics knowledge.

This week we have had fun getting to know each other. We have enjoyed using drama to act out the story of 'Goldilocks' as well as learning about Woodpecker birds. Headteacher's award has been presented to Daniel for an enthusiastic start and for working hard whilst encouraging others to do the same.

It has been a busy four days for Flamingos. We have all settled quickly back into school life and are happy to be back with our class friends. This week we have been reading the story 'Tell me a dragon' by Jackie Morris, which has introduced us to our topic of Dragons. In maths we have been working on place value and three digit numbers. Headteacher's award has been presented to Mikayla for listening hard to instructions and working incredibly hard.

Everyone has done a fantastic job settling into Year 4. We have written some fabulous colour poems and completed lots of team building games so we all know how to work and communicate together. Headteacher's award has been presented to Teagan for starting the year with an incredibly positive attitude to all her learning.
