Covid Risk Assessment

We will be continuing to review our procedures and protocols over the next couple of months, taking into account any DFE guidance, as well as national and local rates of infection.

Over the next half term, we hope to be able to start to allow children to mix with one other year group at playtimes.

For now, the only change we have made is to allow Year 1 and Year 2 to have small mixed year group phonics sessions so we can support their learning in a more targeted way.

I will keep you updated on any further changes over the course of the summer term.

Staffing Updates

Mrs Parry has been appointed as Pupil Mental Health and Wellbeing Lead.

Miss Rapley has taken on the role of helping to improve attendance and punctuality.

Punctuality

As you can see from the table below, punctuality is unacceptably poor at the moment.

All children must be in school before 9am. This is essential for children's wellbeing and to enable them to receive direct teaching at the start of the school day.

Please be aware that referrals to the Legal Panel and fines can be issued for poor punctuality as well as attendance.
