## Newsletter

**Week  
Commencing:  
16/05/2022**

### Drop off and Collection

When dropping off and collecting your children, please make sure you are supervising them at all times, as well as any younger siblings. Children must not use the adventure playground ('Playdale') before or after school. Please do not arrive on site until 8.40am unless your child is attending a Breakfast Club.

Registers close at 9am. Children arriving after this need to be brought to the school office to sign in and will be marked as late. If you know your child is going to be late for a specific reason, please inform the school office ahead of time.

### Work Viewing

**Tuesday 24th and Thursday 26th May ~ 8.40 - 8.55am**

Parents are invited to come to their child's classroom and look at their work before school on Tuesday or Thursday next week. This is an opportunity to see what your child has been working on in school and look through their books with them.

### Covid-19 Vaccinations for 5-15 Year Olds

The NHS would like to encourage children aged between 5-15 years to get their COVID-19 vaccination, as soon as possible. The vaccine can reduce the risk of infection to your child as well as those around them, who may be more vulnerable to getting seriously ill if they were to catch the virus.

Children can be vaccinated in walk-in centres and community pharmacies. Parents are able to book to get their child vaccinated through the national booking centres or online at [www.nhs.uk/covid-vaccination](http://www.nhs.uk/covid-vaccination) for their nearest walk-in centre.

Adults and children who have had COVID recently should not book until 12 week since testing positive.

If you have any queries or concerns please contact The Hampshire and Isle of White NHS vaccination helpline on 0300 5610018.

### Class Photographs

The deadline for ordering school photographs is **Tuesday 24th May**. Please hand them to your class teacher.
